DIV. OF OIL, GAS & MINING

Dear Tom:

Enclosed are clean copies of Western Utah Copper Company (WUCC) - Palladon Notice of Intent (NOI) for the OK and Hidden Treasure Operations. The entire body of the Large Mine Operation (LMO) NOI has been printed with all former changes accepted; all revised Figures and all of the Appendices are being supplied as well as new binders, since the document is a bit heftier than before. Agency correspondence pertaining to the permitting of this project has been placed in Appendix G. We appreciate your efforts and timely review during the WUCC NOI submittal process.

If you have any questions or need further information, please feel free to call me (943-4144).

Sincerely,

Linda Matthews
